

7th November 2024

Dear parents,

We have recently received information on the 2025 Multiplication Tables Check. Please [click on this link](#) to access it. The Multiplication Check will take place in June for all Year 4 pupils.

Schools will be able to view pupil results and your child's score will be shared with you at the end of the academic year.

The children have been working hard on learning their times tables (tables 2,3,4,5,6,7,8,9,10,11 and 12) in school. Please encourage your child to continue practising their times tables on a daily basis at home.

Their Times Tables Rock Stars account will help them with this, alongside oral repetition and quick-fire questioning.

Further information on supporting your child to prepare for this test will be given in a meeting in the new year.

Thank you for your continued support.

Kind regards,

Miranda Thompson
Deputy Headteacher
